

Module 1 Ocean basins, sediments and climate change

Module Supervisors:

Prof. Dr. Vladislav Kuznetsov, Saint Petersburg State University
Dr. Aleksey Krylov, Saint Petersburg State University

Prof. Dr. Rüdiger Stein, Bremen University
Dr. Torsten Bickert, Bremen University

Courses:

- 1.1. Marine sediments and polar sedimentation processes; L, E
- 1.2. Methods in marine geosciences; L, P, S, E
- 1.3. Methods of seafloor mapping; L, P
- 1.4. Ocean basins: morphology, tectonic structure and dynamics; L,S
- 1.5. Marine geotechnology; L, E
