

<b>Name</b>	German Leitchenkov
<b>Position</b>	Deputy Director; Head of Department, Professor
<b>Affiliation</b>	Institute for Geology and Mineral Resources of the World Ocean, (VNIOkeangeologia); Saint Petersburg State University, Institute of Earth Sciences, Geophysical Department
<b>Higher education</b>	<b>2013</b> Doctor of science (tectonics and Geodynamics), Moscow State University <b>1999</b> Candidate in earth sciences (equivalent of Ph. D.), VNIOkeangeologia <b>1981</b> MSc in Geophysics, Leningrad Mining Institute
<b>Academic career</b>	<b>2016 to present</b> Deputy director at VNIOkeangeologia <b>2008 to present</b> Associate Professor, Professor at the St. Petersburg State University <b>1993 to present</b> Head of Department of Antarctic Geoscience <b>1981- 1993</b> Junior research scientist, research scientist at VNIOkeangeologia
<b>Teaching activities</b>	<b>St. Petersburg State University</b> <b>M.Sc.:</b> Interpretation of seismic dat Gas and Oil Geophysics; Methods of seafloor mapping <b>B.Sc.:</b> Neotectonics of Polar Regions;
<b>Research and development projects during the past 5 years</b>	1) Geology and tectonics of Central Antarctica from geological proxy record and geophysical data Russian Foundation for Basic Research, RFBR) – Head (20010-2012); 2) Environment and geology of subglacial Lake Vostok in Central Antarctica (Russian Foundation for Basic Research, RFBR) – Head (2015-2017); 3) Deep structure, thermal evolution and magmatism of the East Antarctic transitional zones and adjacent oceans (Russian Science Foundation, RSF) –Head (2016-2018); 4) Tectonic Map of Antarctica: 2-nd Edition with Explanatory Note (Commission for Geological Map of the World; CGMW) – Head (2016-2018); 5) Paleobathymetric grids of the Cenozoic Southern Ocean (International Project within the PAIS SCAR scientific Program) - coauthor (from 2016)
<b>Significant publications during the past 5 years</b>	Selected publications from overall 101 scientific papers, 3 Monographs, 5 Maps <ol style="list-style-type: none"><li>1.
