

Name	Tatiana Potapova
Position	Lecturer
Affiliation	St. Petersburg State University
Higher education	<ul style="list-style-type: none"> • 1978 St. Petersburg State University, Ph.D in hydrochemistry
Academic career	<ul style="list-style-type: none"> • 1998 to present Lecturer, St. Petersburg State University • 1978 – 2006 Researcher, Institute of Geography, St. Petersburg State University
Teaching activities	<p>Saint Petersburg State University</p> <p>M.Sc.courses Self-purification of water objects B.Sc. courses Hydrochemistry of surface waters The methods of water quality analysis</p>
Research and development projects during 3 past years	Federal contract 29.08 2016 № 69 «The development of permissible standards influence on the peat bogs »
Significant publications during the past 5 years	<p>Selected publications from overall 12:</p> <p>Potapova, T., Trushevsky, V., 2014. Hydrochemistry investigation of surface and ground waters of Belgorod region. Materials of the international scientific and practical conference «Science and education - 2014» 5-6 September 2014, V.13, pp. 73-78</p> <p>Potapova T., Trushevsky, V., 2016. The river and marshy drain of dissolved substances in the oil-and-gas territory of the Arctic zone of Western Siberia. 16th International Multidisciplinary Scientific GeoConference SGEM 28 June - 7 July 2016 v.3, pp. 927-932 SCOPUS</p> <p>Potapova, T., Mysina, A., 2016. Hydrochemical assessment of water quality characteristics in frost mound bogs impacted by gas industry. Book of abstracts. Ed. F. Güther, A. Morgenstern. XI International Conference on Permafrost 2016 “Exploring permafrost In a future Earth” 20-24 June 2016, Potsdam, Germany</p>
Awards	<ul style="list-style-type: none"> • 2011 «Honorary high education worker of Russia» issued by Russian Ministry of Education and Science • 2008 St. Petersburg State University. Award for the best research investigation
