

Bremen University
M.Sc. Marine Biology
Curriculum for POMOR

Capacity: max. 1-2 POMOR students

Module MB-A: Concepts of Marine Biology and Biological Oceanography / 15 CP
incl. field trip to Helgoland (additional costs, ca. 200 EUR p.p.) / 3 CP

German course / 6 CP

Important: Registration via International Office, arrival 3 weeks prior to the start of lectures

Grant Proposal or a short Student Research Project (SRP) / 6 or 9 CP (depending on CP received for MB-A)

Alternatively:

Module MB-D Marine Biological Lab Practical / 6 CP

Curriculum suggestions:

MB-A 18 CP + German class 6 CP + SRP/GP or MB-D 6 CP = 30 CP

or

MB-A 15 CP + German class 6 CP + SRP/GP 9 CP = 30 CP
